

MARCH
8th & 9th, 2018

SPACE IS LIMITED TO 50 REGISTRANTS
ALSO OPEN TO STAFF FROM OTHER NCA BRANCHES

On March 8th & 9th 2018, National Concrete Accessories - Langley will host a training seminar on Butterfield Color® decorative concrete products.

During this seminar, products and processes being demonstrated will include:

- Horizontal overlay: T1000 Fine & Stampable overlays using a hopper gun, stamps and trowel texturing applications.
- Vertical overlay: Cantera® Vertical Wall Mix showing texturing and hand carving techniques
- Countertops: Flat Out® Countertop Mix & Pro Pack® Countertop admixture pan mold & cast in place
- Casting: Butterfield Urethane Precast Molds
- Staining: Perma-Cast® Sierra Stain™ & Elements® Transparent Concrete Stain

****Please note as this is a hands on training seminar, please dress accordingly****

The focus of these classes is Proper Prep, Applications, Execution, Trouble Shooting, and Repairs of all products demonstrated. Representatives from Butterfield Color® & National Concrete Accessories will be on-site to offer assistance and answer any questions. Lunch will be provided for all attendees.
