On Wednesday May 09, CASCO Concrete Construction Accessories will host a training seminar on **Butterfield Color**® decorative concrete products. During this seminar, products and processes being demonstrated will include **coloring and stamping concrete** applications using **Uni-Mix**® Integral Color, **Perma-Cast**® Color Hardener, and **Perma-Cast**® Antiquing Release. In addition, a **T1000**® Stampable Overlay application with **Clear Liquid Release** and using **Flat Out**® Concrete Countertop mix with **Urethane Molds** will be performed. Contractors are encouraged to wear work clothing and get hands-on experience with the materials. Representatives from **Butterfield Color**® will be on-site to offer assistance and answer any questions about products, applications and provide problem solving solutions. Lunch will be provided for all attendees.

Hosted By: **CASCO**

Location: **15207 Airline Hwy
Baton Rouge, LA 70817**

Time: **8:00 a.m. - 2:00 p.m.**
